

WATER CURTAIN

ATIS 0224

atis
Jasienica

If you want to hide behind a curtain, this attraction will certainly meet your expectations. But remember that you won't stay dry or cosy behind it, because the curtain shielding you from view is a water one!

This two-part attraction consists of asymmetrical goal-posts with a sloping crossbar fitted with downward-pointing multi-point water nozzles.

Approximate spray distance

Type of connection	4x1 ½"
Capacity	53-128 l/min.
Steel grade	316

* Available colours as per the separate colour chart

** Steel grade 316 L available upon request

A manufacturer-recommended mounting system is required for each of the attractions
