

MUSHROOM

ATIS 0240

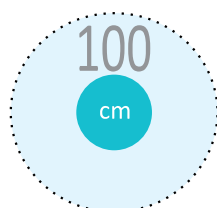

Do you want to spring up like mushrooms after the rain?
Find out for yourself — stand under this mushroom and you won't be short of rain!

A classic water attraction in the shape of a mushroom.
Water runs down the outside of the mushroom cap creating a wall of rain all around it.

6 mm thick acrylic glass

Approximate spray distance

Steel grade 316

* Available colours as per the separate colour chart
** Steel grade 316 L available upon request

A manufacturer-recommended mounting system is required for each of the attractions
